**Other discussion**

It was agreed that a full accounting of all the donations that were received due to our November break-in by January 31st and setup of a program as to where the funds are to be donated.  
The PayPal account will be linked to the web site and Face book pages and all donations will now go to the Post account for accounting purposes.

**Good of the Legion**

Boys & Girls Club had a major roof leak during the recent rain storm resulting in substantial damages. and a Motion to raise \$2000.00 to help offset costs in repairs to the Boys & Girls Club recent roof damages by recent rain storm by Mo Motier, (see New Business)  
Commander noted that the POS system is a priority, waiting for the insurance to send check for damages incurred during November break-in  
WIFI issues, Cox Cable wanted \$5000.00 to wire up Post for better WIFI, they would waive fee if we went with them for internet at a cost of \$200.00 per month for 5 years, will get more information and bring to future meeting  
We relocated the router for better WIFI service but it still is slow.  
The POS System take 1st priority in the WIFI, we are looking at other options.  
The Post has had a 4 Camera Security system donated and a committee was set up to discuss placements of cameras and will report back at February e-board meeting with decision for approval  
Ray Johnson has a used Computer to donate to the Post but needs to be updated.  
ALR 365 and Motorcycle groups meeting here, get Ray Johnson some event flyers and dates so he may post them on our Face book page.
